IT'S GAME
ON
9-13 MARCH

1

If you can run faster than you've run before,
If you can jump, turn around and touch the floor,
Come and give it all you've got,
Come and join the fun.
It's game on! Game on!

(Repeat)

CHORUS

**Everybody in harmony,
We're gonna move all we can,
Raise a whole lot of money.
Every challenge that we complete
Is gonna change someone's life,
Bring a whole lot of happiness.**

2

We're gonna dance harder than you've ever seen,
We're gonna cheer louder to support the team,
Show the world what you can do,
It's for everyone.
It's game on! Game on!

(Repeat)

CHORUS

BRIDGE

Lace up your boots,
Come and rally the troops,
Let's get everyone here involved.
Fix your eyes on the prize,
Leave your worries aside,
'Cause you know we can go for gold!

(Repeat with harmony)

CHORUS

**Everybody in harmony,
We're gonna move all we can,
Raise a whole lot of money.
Every challenge that we complete
Is gonna change someone's life,
Bring a whole lot of happy...**

FINAL CHORUS

**Everybody in harmony,
We're gonna move all we can,
Raise a whole lot of money.
Every challenge that we complete
Is gonna change someone's life,
Bring a whole lot of happy...
Change someone's life,
Bring a whole lot of happy...
Change someone's life,
Bring a whole lot of happiness.
It's game on! Game on!**
