

## OLIVIA'S STORY

Hands up, who loves **nursery**?

Olivia here does as well.

Her favourite things are the slide and the swings,  
And learning to **count** and to **spell**.

Olivia comes from **Uganda**,

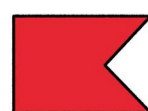

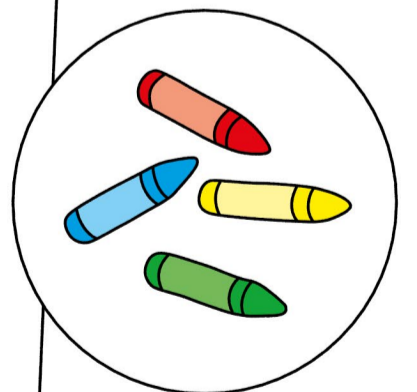

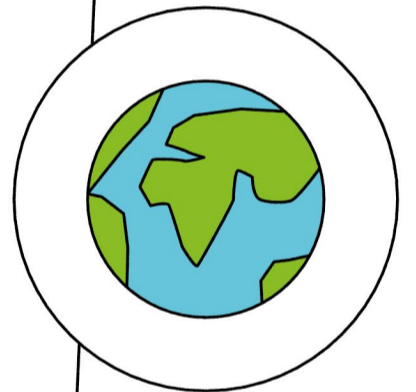

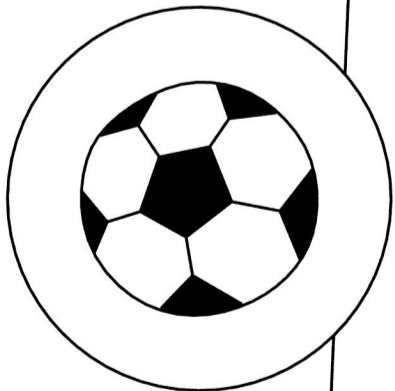

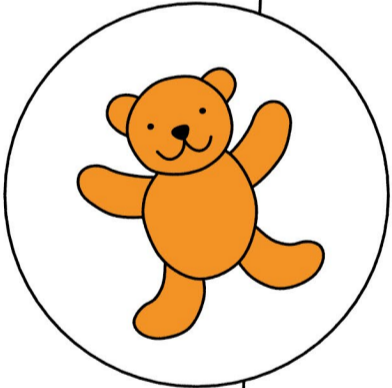

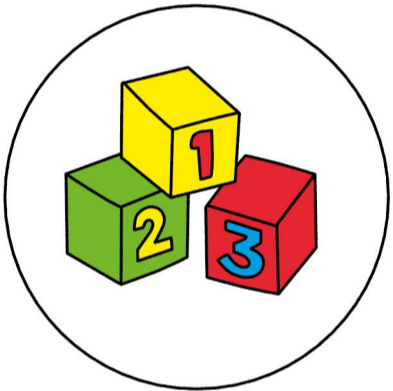

A country that's quite far away.

She lives with her **Uncle** and **Grandma**,  
And is finishing nursery today.

Her Grandma's so **proud**, she's invited a crowd,  
And the whole neighbourhood's come along.  
But Olivia's **brave**, as she takes to the stage,  
To lead all her friends in a **song**.

Olivia's got a real head start,  
As she moves on from nursery to **school**.  
Most **kids** there start later, at seven or eight,  
Or get no education at all.

So let's run, jump and play on Spot's **Sport Relief** day,  
And help our fundraising grow.  
With the money we earn, we can help others learn,  
Are you ready? Get set now, let's go!
