SING FOR
SPORT RELIEF

Nursery Learning Activity

Olivia loves to sing. Why not take her lead and get the children singing to raise money this Sport Relief?

WHAT YOU WILL NEED

- The poster ‘Olivia’s Story’.
- The children’s favourite songs and everything they need to perform them – musical instruments, recordings, a stage, costumes...
- It’s Game On! – this year’s Sport Relief song.
  You’ll find this at http://www.sportrelief.com/schoolsong

ACTIVITY

1. Display the poster ‘Olivia's Story’ and read the poem to the children. Explain to them that the photograph shows Olivia at her recent nursery graduation ceremony, when she overcame her nerves to lead the other children in singing a song. Inspired by Olivia, they’re going to sing for Sport Relief!

2. Talk with the children about how they could raise money by singing. Would they like to take part in a sponsored sing? Would they rather put on a show, singing for their parents, carers and friends?

3. Let the children choose their favourite songs and give them an opportunity to practise.

4. Learn It’s Game On! – this year’s Sport Relief Song at http://www.sportrelief.com/schoolsong

5. Why not learn Makaton signs for some of your songs? Or include some active numbers like Head, Shoulders, Knees and Toes?

6. Collect sponsorship or sell tickets to your concert and have lots of fun strutting your stuff for Sport Relief!

Early Years Foundation Stage Links

Expressive arts and design

- Exploring and using media and materials – children sing songs, make music and dance.
- Being imaginative – children represent their thoughts and feelings through music and dance.
